Fig. 271. Parts to change thills to combination pole indicated by adding "C" to the number.

IRON AGE (THE ORIGINAL NEW YORK CHAMPION) WOOD RAKE,

For the convenience of those who have old rakes, we give corresponding Patton & Stafford Nes, in the last column of the list. We guarantee fit of all parts furnished for their Wood Axie (our No. 1) or Steel Axie Rakes with Wood Tooth Holder (our No. 2).

When ordering by letter, give our number and name of part, and state whether for wood or steel axie rakes. When ordering by wire, give our number only. Get number by reference to cuts of parts. Always state name, post-office and shipping addresses, and whether goods are to be sent by mail, express or freight.
